Christian Pälchen, Founder of ICS

Christian Pälchen has a strong passion for mission and also for the youth. In 2013 he founded ICS-Christian-School-Founding. His vision is to establish the Christian life skills conference concept worldwide.

Christian was born in Germany and went on to achieve numerous qualifications in the field of Education, Marketing and Social Work. He also studied evangelical theology, politics and German. This gifted teacher has a heart for South Africa and it all began when he worked as a short term missionary in a children's home in Johannesburg.

**Christian will be in South Africa from 25 March to 8 April. If your church or Institution would like to meet him, email [info@ics-Christian-school-founding.org](mailto:info@ics-Christian-school-founding.org)**

With a goal to instil independence, curiosity and responsibility in children and raise them in the way of the Scriptures (*"Start children off on the way they should go, and even when they are old they will not turn from it"* Prov 22:6), the ICS-Christian School Founding is destined to bring honour and glory to God.
